SUGAR—Coupon No. 12 good for 5 lbs. Must last through May 31.

COFFEE—Stamp No. 26 (1 lb) expires April 25.

FIRE—Class A. First inspection deadline March 31.

FUEL OIL—Period 4 coupons expire April 6 in zones C & D, April 12 in zones B, April 17 in zone A. Period 5 coupons now valid in all zones.

SHOES—No. 17 in War Ration Book One good for one pair until June 15.

FOOD—Red "A" stamps, valid March 29, good for 16 points worth of meat, cheese, and butter. Blue stamps D, E, and F good from March 25 through April 30.

POINT RATIONING CAN BE VERY SIMPLE

Simplicity is the keynote of the new meats and fats rationing program. Housewives should have no difficulty at all in shopping with their red ration stamps in War Ration Book Two. Although the ration list includes a wide variety of foods, including all meats and many cheeses, as well as shortenings and salad oil, butter and margarine, canned fish, and many other items, from the point of view of the housewife who does the shopping, it will really be a simpler matter.

All these foods will be rationed with a single set of stamps, and the housewife will have to consult only one table of point values to find out how many ration points any of these foods will cost.

One of the few differences between the use of the blue and the red stamps in War Ration Book Two, is the order in which stamps will be declared valid.

When rationing began on March 29, the first set of stamps, marked A, worth 16 points, became valid. Beginning on April 4, and then on each succeeding Sunday throughout April, an additional set of stamps will be validated. All these stamps, from A through E inclusive will remain in use all month—making a total of 80 points per person for April.

Another difference in the use of the red stamps is that it permits retailers to make "change" in ration stamps when a customer finds it impossible to give the exact amount of valid red stamps when making a purchase. Only one-point red stamps of any series currently valid may be used for this purpose.

During the week of April 4 to 10, for example, storekeepers may give their customers red one-point stamps marked A or B in change. Customers are reminded, in this connection, that they must use stamps they receive in change by the end of the month in which they are issued and before they expire—just as they must use the stamps in their own books.

As red stamps are declared valid, they may be used with complete freedom of choice by the housewife to buy any one, or any combination, of the foods for which they must be surrendered. There is no distinction made at all in these of the red stamps as between meat and cheese, or any of the other foods for which these stamps will be spent.

Point values for the entire list of foods rationed here, will be the same as in every retail store in the country—just as they are for canned goods. Point prices of different cuts of meat will be different, just as the point price of apricots and peas, for example, is different. However, there will be no difference in point price between different grades of the same cut of meat—nor between different grades of hard cheese, nor the same quantity of any kind of butter.

TYPISTS AND STENOGRAPHERS NEEDED IN WASHINGTON

Typists and stenographers are urgently needed by the Federal Government to fill Civil Service openings with war agencies in Washington, D. C.

Salaries, including overtime, on the basis of a 48-hour week, are \$1752 per year for the positions of Senior Typist and Junior Stenographer, and \$1970 per year for the position of Assistant Clerk-Stenographer.

The jobs are in Government agencies which perform important war duties, and all qualified women who are not already employed in war work are urged to apply.

Applicants will be given a performance test including typing and general electrical questions. In addition, applicants for Junior Stenographer will be required to pass a dictation test at 80 words per minute, and applicants for Assistant Clerk-Stenographer will be required to pass a dictation test at 96 words per minute and must have had two years experience as secretary or stenographer.

HOW YOU MAY SERVE IN THE WAVES OR SPARS

This is the sixth of a series of "questions and answers" published in behalf of the women in this area who are interested in joining the Navy's WAVES or Coast Guard SPARS.

Q. Must all WAVES and SPARS begin as Apprentice Seamen?

A. Yes. But after successfully completing the indoctrination and training period, you are automatically promoted to a higher rating. From then on, your promotion depends on your ability and length of service.

Q. Will I be on active duty as soon as I am sworn in?

A. Not necessarily. You may be told to report home on inactive duty to await further orders, or be ordered to proceed to a training school immediately.

Q. What does WAVE and SPAR training cover and how long is it?

A. The training period averages four months. The first month is devoted to general indoctrination. During this time, you'll get into the swing of real fundamentals of drilling and get up at reveille and go to bed at taps. You'll speak Navy language and call the floor of your room "The deck," the walls "bulkheads," the stairs "ladders" and the windows "ports." After indoctrination, some will be assigned to active duty while others will receive special training, the length of which will vary. For instance, if you are an expert typist, you might qualify as a Yeoman as soon as you finish your indoctrination. But if you are studying for a more technical job, you will take the full-time course. And you might even be sent to a Navy trade school after that for further training by Navy experts.

Q. Where are the training centers located?

A. At colleges in every part of the country. Typical of these are Indiana University; Oklahoma Agricultural and Mechanical College; University of Wisconsin; Iowa State Teachers (Continued on Page 2)

PREDICTS ACTIVE POST-WAR MARKET

74 Attend 17th Anniversary Dinner of Local Rotary Club

"The post-war period will be an active market," Charles J. Heale, editor of "Hardware Age," told members of the Bala-Cynwyd-Narberth Rotary Club Tuesday night, "because both the wants and the ability to buy will be good."

Heale spoke at the 17th anniversary dinner of the club, held at the Overbrook Golf Club, before an audience of 74 members and guests.

From a survey made by the National Chamber of Commerce, it is estimated that 80 per cent of the post-war market will be installment buying, he further predicted.

The speaker was introduced by Alvin Shull, chairman of the anniversary program. Dr. F. Munro Purse, president of the club, presided at the meeting, and the Rev. Frank M. Gray, new pastor of the Brookline Methodist Church, of Brookline, gave the invocation. Guests included members of the Ardmore, Philadelphia and other nearby clubs.

On behalf of the members, L. Stanley King presented a gift to L. Richard C. Mears, former president of the club, who is a member of the U. S. Navy Dental Corps.

An organization committee of five men started the Bala-Cynwyd-Narberth Rotary Club, and four of them are still active members—L. Stanley King, William Decker, John A. Miller and Alvin Shull.

Three others of the 21 charter members are still active. They are Conrad Albrecht, James Carroll and Guy Croyle.

The anniversary dinner was interrupted, much to the amusement of all present, by the announcement of J. Bedford Woolley that he had decided to inaugurate a grandfathers' club within the club. He then presented cardboard "medals," came and crepe-paper beads to L. Stanley King, Alvin Shull, Albert Vick and William Decker, and congratulated them on being grandfathers.

ENROLL ONLY WOMEN IN NEW RADIO CLASS

Navy League Taking Enrollments for Harcum College

Temple University, at the request of the Navy League Service, will open at Harcum College, Bryn Mawr, on Monday, April 5, the first course in radio fundamentals for a class composed entirely of women. Only high school graduates may enroll.

Object of the course is to impart basic radio knowledge to laymen; it will enable women to understand the principles of maintenance and repair of their own radios and prepare those with special aptitude to enter the numerous avenues of employment now opening up in the field of radio and television.

The 16-week course will include three weekly lectures of three hours each.

Classes will be limited to 25 students to permit individual instruction. A second course for women will be started if there are sufficient enrollments. Applications are being received at Navy League headquarters, 1429 Chestnut St., Philadelphia, at the Wayne Branch and at the Narberth-Penn Valley Branch, Haverford and Narberth Aves., Narberth.

WAAC Rally at the Academy on April 3

"United Nations Women in War" will be the theme of an all-women rally at the Academy of Music, Philadelphia, April 3 at 2 P. M. to mark the opening of WAAC Week, April 4 to 10. The week has been designated by Major General Milton A. Reckord, commanding general of the Third Service Command to spotlight the importance of the Women's Army Auxiliary Corps.

Speakers at the rally will include Major Isabel Cronyn, staff officer, Canadian Women's Army; Senior Commander Pamela Hamrick, British Auxiliary Territorial Service; Katherine Y. T. Lew, former Dean of Women, University of Peking; Captain Jessie Pearl Rice, senior WAAC officer, Third Service Command, and Dr. Mildred L. Sylvester, chairman of the Philadelphia Citizens Advisory Committee for the WAAC which is sponsoring the rally. Russia is also expected to send a representative.

Alert Boy Finds Valuable Lost Purse

Nancy J. Simpson, 201 Woodside Ave., Narberth, lost her purse last Monday and didn't know where to find it.

It was laden with bills and change for Miss Simpson was on a bill-paying visit to the Borough's business center.

Passing along Haverford Ave. about the same time was an alert lad who also lives in a house numbered 201—his address being Windsor Ave., and his name Paul Leo Cabrey.

Paul spied the purse as he passed Joe Maguire's gas station and hastened home with it, where his mother quickly helped him discover its owner.

Welcome visitor then was Paul at the Simpson home, and his promptness was generously rewarded.

NARBERTH RED CROSS COLLECTS \$4266.50

Hope Pledge Cards Will Increase Total to \$5000

A total of \$4266.50, almost entirely in cash, has been raised in Narberth in the 1943 Red Cross War Fund drive, according to Mrs. W. J. Cahill, chairman.

"We will receive another \$100 this week," says Mrs. Cahill and with the special gifts given in Philadelphia by Narberth people which will be credited to Narberth, we're going to come pretty close to the \$5000 we hoped to reach."

Narberth was highly complimented on its showing. Mrs. Cahill reports, by Frederick W. Dreher, chairman of the Main Line drive, at a meeting of workers early this week. On the basis of population comparison, the Borough has a better percentage record than most of the other communities in the Main Line area.

In an attempt to reach all those who have not given or, having given will give again, Junior Red Cross volunteers are distributing pledge cards to all the homes in the territory covered by the Main Line Branch.

"We are hopeful that these cards will bring in a substantial additional amount in Narberth," Mrs. Cahill declared.

Mrs. Cahill pointed out that the funds collected during this campaign must provide for the enormously increased number of men in the armed services until the Spring of 1944. More than 70 per cent of Red Cross funds are now being used for servicemen.

The Red Cross Drive, originally designed to last through March, has been extended to April 7. Starting this week, motion picture houses throughout this area will participate in Red Cross Week, when "Somewhere in This World," narrated by Captain Eddie Rickenbacker, will be shown up until the last show on April 7.

Inter-Ac Champions Win Out in Extra Period, 28-26

They did it! Yes, those amazing boys of the equally amazing Bill Anderson over Lower Merion High School are state basketball champions again. They are the first ever to win the title four times and the first to finish on top three years in a row.

This remarkable record makes Lower Merion one of the great scholastic basketball powers of the entire country and just about puts the popular Bill Anderson at the head of the class in schoolboy coaching ranks.

Lower Merion needed every ounce of its ability and resourcefulness and all of Coach Anderson's wealth of experience and cunning in order to hurdle Farrell High School, king of the West, in the finals of the PIAA tournament before a thrilled crowd of some 9500 Saturday night. A foul toss by Nimble, slick Vernon Young in the last 16 seconds provided the margin in a 28-26 thriller.

Ironically, Young scored this winning point against the desires of his coach and fans, because Lower Merion had a 28-26 lead when he was fouled and all sound strategy dictated the taking of the ball out of bounds in order to keep possession in the closing seconds.

However, Young walked to the foul line and was prepared to shoot when suddenly young Hank Seiber (Continued on Page 4)

Coop. Association To Have Meeting on Victory Gardening

The Narberth Cooperative Association will hold its April meeting on Tuesday evening at the Community Building at 8:15 P. M.

The meeting will feature a discussion of Victory Gardening by John C. Kenealy, tree warden of Lower Merion Township, and will be open to the public. The speaker will show lantern slides and will demonstrate his suggestions with blackboard drawings.

Navy League Wants Yarn for Afghans

Bright colored yarns are needed by the Narberth-Penn Valley Branch of the Navy League for crocheting afghans.

Since they started the project about a year ago, members of the league have made 25 afghans for the Naval Hospital in Philadelphia. The afghans they are working on now will go to the new Valley Forge Military Hospital.

Residents are asked to bring or send scraps of yarn to the League office at Narberth and Haverford Aves., Narberth.

CALVERT PICTURE WINS FIRST PLACE

Shown in Exhibit of Gladwyne Camera Club

The Gladwyne Camera Club held its exhibition of photographs of the month at the Community Building, Gladwyne, on Monday night. Father Vrana, of Villanova, judged the entries assisted by William Dilke.

First place was awarded to Samuel Calvert for a Latin-type portrait, while science pictures entered by Grant Otewiler and Richard C. Crout took second and third place respectively.

At the last meeting of the club, it was voted that the members would photograph pets or anything that Gladwyne boys in the service wanted. The members expressed themselves as glad to do this as a part of their contribution to the war without charge.

Through the Photographic Society of America, the Gladwyne Club is showing at the Community House photographs sent by the Seattle Photographic Society of Seattle, Wash. This exhibit will remain until April 15.

Local Ration Chairmen Point Necessity of Reducing Passenger Car Travel to 5000 Miles-a-Year Average; Promise To Keep Essential Cars Moving for Those Who Cooperate

Local ration chairmen of three nearby suburban districts issued insistent appeals this week for motorists to participate in a full ride-sharing plan.

Their appeal was made to those holding "B" and "C" ration books.

For those who showed any willingness to cooperate they passed along a promise from OPA to provide gasoline rations to keep car clubs running.

The appeal came from the heads of the following three ration boards:

Ralph Reed, chairman of the Haverford Township Ration Board; Henry A. Harman, chairman of the Ration Board for Narberth and Ardmore, and H. H. Perry, chairman of the Ration Board from Bryn Mawr, Bala Cynwyd, Merion Gladwyne, Haverford and West Manayunk.

As the three ration territories adjoin each other and many of the motorists traverse municipal boundary lines to reach work the plan for car sharing will be all inclusive. Chairmen have volunteered to exchange what information is necessary and plumb the possibilities of inter-district cooperation.

Their statement followed receipt of a letter from OPA mileage rationing officials pointing out that if passenger car mileage is to be reduced to the 5,000-mile-a-year average recommended by the Bureau Committee, "ride sharing must be made a universal practice."

"Car sharing has been a requirement for obtaining supplemental rations to drive to and from work since the inception of mileage rationing," declared the statement. "The newly launched program, to be conducted jointly by the Office of Price Administration and the Office of Civilian Defense, was designed, merely, to give impetus to the ride-sharing movement. OPA through its official Defense Council will help people form car clubs in each community. OPA through its rationing boards and mileage rationing plan, will provide the gasoline rations to keep car clubs running."

"In fulfilling their part of the program, the rationing boards will insist that applicants for 'B' and 'C' ration books for travel to and from work belong to a full ride-sharing club. This means an arrangement for carrying 3, or more, other persons regularly to and from work."

"If such arrangements have not been made, the applicant will be expected to produce evidence that alternative means of transportation are not available and that he is sharing his car with as many people as is possible."

SCHEDULE VISITS OF REGISTRARS

May 25 and Aug. 6 for Township; June 14 July 28, Narberth

Traveling registrars of the Montgomery County Registration Commission will visit many communities of the County between May 25 and August 6 to enroll new voters and conduct other voting registration business. It was announced this week by County Commissioners Foster C. Hillegass, Fred C. Peters and Raymond K. Mensch, who comprise the Registration Commission.

The schedule for the traveling registrars shows that they will sit in 42 localities of the county, a larger number than usual because of gasoline rationing, beginning on May 25 at Lower Merion. New hours this year are 1 to 9 p. m.

August 14 will be the last day to register in order to vote at the Fall Primary which is September 14. Only persons registered by party may vote at the Primary.

In addition to registering new voters, the traveling registrars will handle other registration business, including change of address, re-registrations due to marriage, or change of party.

In Lower Merion Township, the registrars will sit on May 25 and on August 6 at the Township Building, Ardmore.

In the Borough of Narberth, the registrars will be at the Borough Hall on June 14 and on July 28.

Mrs. Bruno Dies In South Ardmore

Mrs. Madeline Jeanne Bruno, wife of George S. Bruno and daughter of Mr. and Mrs. Albert Galow, 1913 Belvedere Ave., South Ardmore, died suddenly at her home, 1913 Belvedere Ave., South Ardmore, last Thursday evening. Funeral services were held Monday afternoon at the John J. Stretch Jr., Funeral Home, Oakmont, with interment in Arlington Cemetery. The Rev. James H. Feely, pastor of Grace Chapel, Oakmont, conducted the services.

A member of Phi Alpha Gamma Sorority, Mrs. Bruno was a former student of Haverford Township High School.

She is also survived by a month-old daughter, Beverly Jeanne, and a brother, Albert Galow, Jr.

News of the Men & Women in Service

Miss Eleanor Jeannette Snyder, 120 Woodside Ave., Narberth, left on Friday from Philadelphia to enter training for duty with the WAVES at Hunter College, New York City.

Corporal Carl deHaven Grace, Jr., surprised his mother and sister, Betty, 200 S. Narberth Ave., Narberth, with a quick between-trains visit last Friday night on his way to his new post. Corporal Grace has been transferred to air force training school and is now an Aviation Cadet.

Word has been received from Major John F. Fant, Fort Benning, Ga., that his son, John F. Fant, Jr., was commissioned a pilot in the Air Corps at Moody Field, Valdosta, Ga., on March 25. The new pilot is a former Lower Merion High School student and lived at 1051 Montgomery Ave., Penn Valley.

Thomas Marshall Forsyth, Jr., who is stationed at Camp Kearny Mesa, San Diego, Cal., with the United States Marine Corps, has been promoted to first lieutenant. Mr. and Mrs. Thomas M. Forsyth learned this week by his parish, of Narberth. Lt. Forsyth is a graduate of Lower Merion High School and William and Mary College.

price and registered trade mark or OPA registration number of the manufacturer must be stamped on the welt of the hose. Thus, consumers will be able to tell at a glance what the ceiling price is and will also have full information as to quality when they buy. It is estimated that savings of from 5 to 50c per pair will result from the new price method.

Standards have been set for Grade "A" rayon hosiery, which will contain features designed to lengthen the life and improve the service of the hosiery. All stockings which fail to meet the Grade "A" standards will be known as Grade "B" and will be priced approximately 10 per cent lower than Grade "A" until July 16, at which time prices of Grade "B" hose will be reduced 25 per cent. Present Grade "B" supplies are expected to be exhausted by mid-July.

Irregulars, seconds or thirds of Grade "A" and Grade "B" must have this identifying information also marked on the welt or toe of the stocking. Long, short, extra long or outsize must be identified.

Recognizing that operating methods and customary mark-ups vary as between different retail outlets, the new regulation sets two ceiling price levels; one for stores with an annual volume of more than \$250,000 and one for all other stores. Ceiling prices must be posted in establishments at the place where the rayon hosiery is sold.

Bill Hepburn Gets Promotion in Army

Word has been received by Mrs. Earle Hepburn, 449 N. Bowman Ave., Merion, that her son, William H. Hepburn, 19, has been promoted to private first class at the Case School of Aeronautics, Newark, N. J., where he is studying aircraft mechanics in the American Air Forces Technical Training Command.

The boy's father, Major Earle Hepburn, is in the Judge Advocate General's department.

Upon completion of the final stage of his training at Roosevelt Field, Long Island, he will be graduated as a skilled Air Corps ground crew mechanic, qualified to take his place in the combat crew of an American Air Force unit. He attended Episcopal Academy and was graduated in 1942 from Lower Merion.

His brother, Earle Hepburn, Jr., who underwent an operation last fall to enable him to enter the service, is now an Aviation Cadet at Springfield, Ohio, studying to be a pilot.

STRESS CHANGE IN METHOD OF COMBATING INCENDIARIES

The Office of Civilian Defense in Washington, in the latest analysis of the construction and effect of enemy incendiaries being used at the present time by Germany and Japan, warns that fire continues to be the greatest danger. Regardless of what type of fire bomb the enemy uses, or may devise—and they are many—his chief objective is to start fires.

The spread of fire is a greater danger than the bomb itself. However, the OCD has devised new methods of fighting incendiary bombs, with which residents of this area should familiarize themselves as rapidly as possible.

1. Protective Cover. The new enemy bombs make it urgent that the fire fighter use the best available cover. No longer is an overturned chair or davenport, door or thin plaster wall sufficient protection. Only a solid wall, the equivalent of brickwork or concrete block 4½ inches thick, is considered full protection against the explosive charge now being used with a time fuse in small magnesium bombs. In full protective cover is not available, the fire fighter must attack the bomb and fire regardless of risk. In such instances, the best available cover should be used. To further minimize personal danger, the fire fighter should operate from a crouching or prone position.

2. Jet water. Just as fire is the greatest danger in these new enemy bombs, so water continues to be the best weapon to fight them. The best way to fight fires is a jet or direct stream of water. If bombs fall where they cannot start fires, they should be left to burn themselves out. Elsewhere, however, they must be attacked promptly! In bombs containing phosphorus, the fire may be extinguished by water, but phosphorus will break into fire if allowed to become dry.

3. Water-Dispensing Devices. Water must be depended upon! Some suitable water-dispensing devices are stirrup pumps, pump tanks, water-type extinguishers, and garden hose (when water pressure permits). The jet of water need not be directed at the bomb itself but at the surrounding area. The fire fighter should not necessarily expose any part of the body other than one hand. Reason: To permit the wetting of inflammable material within range of the bomb and to halt the spread of fire without undue personal exposure until the explosive charge has gone off.

4. Storage of Water. The new enemy bombs make it absolutely necessary that water be stored in the home. At least 10 gallons of water should be kept on hand at all times and placed where it can be easily reached. Any improvised containers may be used. Those previously used for sand should now be used for water.

5. Taboos. Thanks to a jet of water, the operator can work at a much greater distance than with the "short range" method of employing sand, a spray of water, or other smothering agents. Because the new bombs upon explosion have a greater fragmentation effect than the explosive incendiary formerly used, sand cannot be depended upon. Sand or a spray of water, as recommended formerly, must now be ruled out as dangerous and ineffective. "Bomb extinguishing" powders and special devices such as scoops, grabs, and sippers are not only useless but may even endanger the lives of those who foolishly depend on such devices for protection.

The OCD urges a final word which cannot be stressed too urgently: After every raid, the premises should be searched thoroughly. Unexploded bombs should be reported instantly to the Air Raid Warden, who will initiate proper action. Where bombs containing phosphorus have been used, all contaminated surfaces should be kept wet until the phosphorus can be properly removed. Physical contact with fragments of such a bomb or with any surface splashed with the liquid should be avoided.

PRICE CEILINGS ON NEW RAYON HOSIERY

Inasmuch as rayon will account for 85 per cent. of the stockings worn by American women this year, consumers will be glad to hear of two important steps just announced by OPA.

1. Effective April 15, 1943, dollars and cents ceiling prices at all sales levels will be mandatory;

Declares Women Must Help to Avoid Inflation

Narberth Speaker Says America Cannot Be Isolationist

Women will have a great deal of influence on whether or not we have inflation in this country, Dr. Ruth L. Higgins, dean of women at Beaver College, told members of the Women's Community Club of Narberth Tuesday afternoon.

"Directly or indirectly," she said, "women control the purse strings and by avoiding over-spending we can avoid inflation."

Dr. Higgins also declared that every woman has an obligation to see that we plan for the post war world now.

"We must give up any idea of American isolationism after this war," she emphasized.

Results of the preferential ballot were announced as follows:

For president, Mrs. H. C. Middleton, Jr., for vice president, Mrs. Samuel J. McCartney, for corresponding secretary, Mrs. R. F. Vogler, for the two-year terms on the board of directors three to be chosen—Mrs. Conrad Albrecht, Mrs. W. R. Knauer, Mrs. W. Ralph Giles, Mrs. J. S. Erickson, Mrs. Ellsworth Clark and Mrs. J. M. L. Bickford. Mrs. Robert H. Price was elected for a one-year term on the board. The club will vote on this ballot on April 27.

The club's calendar for April includes: April 6 at 10 A. M., board meeting.

April 7 at 1 P. M., Mrs. Middleton will entertain her literature committee and Mrs. Crater at luncheon at her home.

April 8 at 7 P. M., the officers and chairmen of the Senior Club will entertain the officers and chairmen of the Junior Club at supper followed by a musical program under the direction of Mrs. Bickford, music chairman, including piano solos by Mrs. Benjamin Sharlip and vocal solos by Mrs. G. Allen Walker. The clubroom will be decorated in yellow and white. Mrs. H. F. Darnes and her hospitality chairman will have charge of the supper. Mrs. E. J. Pollock, Junior adviser, is in charge.

April 12 at 2 P. M., the Project committee will meet at the home of the chairman, Mrs. J. H. Miller, to report on the annual moving picture benefit which will be held at the Narberth Theatre April 11 to 17. All ticket money must be turned in by this meeting.

Eyewitness to Tell of Battle of Moscow at Federation Meeting

Mrs. Nila Magidoff will describe the Battle of Moscow of which she was an eye witness, at the afternoon session of the all-day Spring meeting of the Montgomery County Federation of Women's Clubs to be held April 29 at the Presbyterian Church, Conshohocken.

The day-long program will start at 10:15 A. M., and the featured speaker of the morning will be Mrs. William H. Corwith, of the National Broadcasting Company.

Mrs. Richard Pollock, County Federation President, will preside at both sessions, and members of the Conshohocken Woman's Club will act as hostesses.

Community singing will be led by Mrs. Helen R. Holcomb, county chairman of music, and Mrs. Harry McClelland, county garden chairman, will stage a flower show. Two-minute annual reports will be presented by the county department chairmen.

Soroptimists Plan Benefit Card Party

The Main Line Soroptimist Club will hold its annual card party at the Haverford Court Hotel, Haverford, on Saturday evening, for the benefit of its major local project—providing for the services of an occupational therapist for shut-ins.

Under the sponsorship of the club, Miss Florence Bertermann makes more than 30 visits a month. The patients range in age from 3 and a half to 88 years old.

All proceeds of the party on Saturday will go toward helping some one who is handicapped or old to find hours, weeks, perhaps years, of usefulness and happiness.

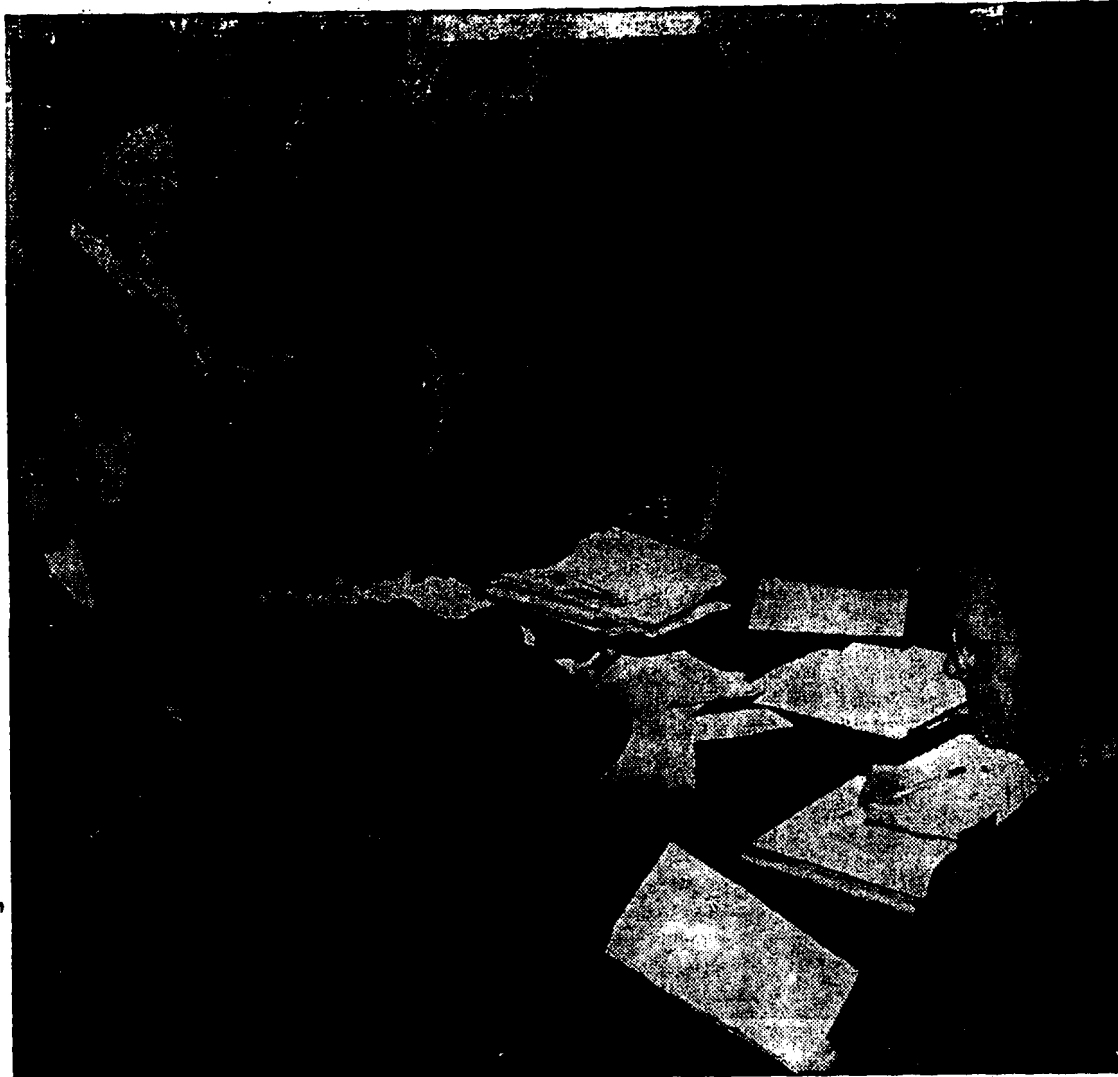

Dr. Hart to Address Jephtha Abbott D.A.R.

The monthly meeting of the Jephtha Abbott Chapter, D. A. R., will be held April 5, in the Overbrook Presbyterian Sunday School, at 2 P. M. The regent, Mrs. Ray P. Farrington, will preside.

Dr. John Robbins Hart, rector of Washington Memorial Chapel, Valley Forge, will be guest speaker.

After the meeting, which will include discussion of plans for the Continental Congress, tea will be served by the hostesses, Mrs. W. W. Tomlinson, and Mrs. John W. Ross.

EXPLAINS COMMUNITY PROJECT

Already at work on her project, Mrs. C. Arley Farmer (above) of the Women's Community Club of Narberth explains the details to other clubwomen at a meeting of the Montgomery County Federation of Women's Clubs.

Grouped about the table, listening to Mrs. Farmer's proposal are (l. to r.) Mrs. Richard Pollock, Glen side, president of the county federation; Mrs. William Leisman, Woman's Club of Ardmore; Mrs. Henry P. Rollins, Women's Club of Conshohocken; Mrs. John Fetterolf, Women's Club of Royersford; and (standing to right of background) Mrs. E. W. Heymann, county registrations chairman, Balwynnwyd. These women are six of a group of 25 that has been meeting twice monthly at the New Century Guild. In its direction of this program is Miss Rose Cologne, community adult education specialist of the Pennsylvania State College extension services. Dr. Harold F. Alderfer, executive secretary of the Institute of Local Government at Penn State, will speak at the next meeting April 5.

HIGH NOTES

by
DAVID MALICKSON
Class of 1945—Lower Merion High School

The Reverse Dance, sponsored by the Student Council, will be held on April 10 at 9 P. M. in the Down's Gym. The music is to be furnished by that "hip-to-the-kick" outfit, the Royal Crusaders, who, with their swell arrangements, made the Radnor dance the best dance yet this year. Better be on your best behavior for the next two weeks fellows, 'cause the female members of the student body are to invite the males.

Tickets will be on sale next week \$1.65 "stag or stuck."

Maxine Lippman is in charge of the ticket committee. Dot Biddle, refreshment committee, and Walt Karcher has charge of the publicity.

Future dances to be held later in the year are the Sophomore Hop, scheduled for the early part of May and the Junior prom sometime during the later part of May.

A rally in the Down's Gym on March 29 officially concluded the current basketball season, although the team is scheduled to meet one or two other teams for the benefit of the American Red Cross.

As the student body chanted "State Champs Three Years" the basketball team entered the gymnasium led by their coach, "Andy" Anderson and Assistant Coach Mr. Reeves.

The rally commenced with Captain Greer Heindel presenting to Mr. V. V. Pearce, vice-principal, the trophies the team had won during the course of the season; the District 1 Trophy, Preliminary Eastern Pennsylvania Regional.

The Eastern Regional, and finally the one for which the team played such a spectacular game last Saturday night, the State Championship Trophy.

Mr. Dubois, superintendent of schools, congratulated the team members for the honor that they had bestowed upon Lower Merion by winning the State Championship.

Captain Greer Heindel was called upon to speak next. He said how glad he was to have been a member of three L. M. State Championship teams, '41, '42, '43. He also stated that one of his main ambitions while at high school was to become captain of a State Championship basketball team.

Mr. Pearce then introduced Mr. Gilbert, principal, who congratulated the student body for the excellent conduct they displayed during the final game.

Mr. Reeves and Mr. White, next speakers, said how glad they were to be associated with such a fine team.

When the vice principal was about to introduce Coach Anderson the student body got ready to give "Andy" one of the loudest ovations a person could receive, for all Mr. Pearce had to say was that the next speaker is Coach Anderson, then as if he had lit the fuse to a giant firecracker the students gave

NARBERTH SCHOOL NEWS

Since the beginning of this semester, our school clubs have changed to war work. Half of the boys have been working on model airplanes and the rest on first aid. Mr. Cappalonga and Mr. Shank are helping the boys with the airplanes.

The first aid group under the direction of Mr. Fred Benner has been practicing many different types of bandaging. The types of bandages worked with so far are the opened hand, knee, ankle, cheek and spiral reverse. The boys have practiced artificial respiration and have been taught the pressure points.

The total of bonds and stamps sold up to March 23 is \$10,162.69.

The students of Narberth Public School have done a wonderful job collecting articles for convalescent soldiers at Valley Forge Military Hospital.

The drive for coat hangers, books, games, playing cards, etc., started on March 15 and continued through March 31.

The approximate totals to date are: 930 coat hangers, 110 Readers Digests, 21 picture puzzles, 25 games, 65 decks of playing cards, 92 books, 51 cardboard slipper soles, 35 painted clamshell trays, 16 unbreakable ash trays and 22 scrap books.

Miss Nellie Henry is sponsor of the Junior Red Cross here.

DEMETRA CHIOS,
School Reporter

Narberth School clubs have changed to war activities. There are four clubs for girls which are basting, sewing machine, knitting, and scrapbook. Basting club is supervised by Miss Fricke. The members of that club are Ruth Mary Aronson, Adelaide Brunel, Regina Deal, Gloria Dimidio, Sylvia Di Prinzio, Mary Eganman, Rosemary Gorman, Phyllis Marfina, Joan Peters, Jane Reynolds, Laura Santini, Emma Marfina, Virginia Shaw and Janet Stewart. These girls baste Red Cross bags which are made out of muslin. Miss Taylor's sewing machine club finishes these bags. Girls in this club are Lou Jenkins, Mary Jane Eldson, Fern

ces Henderson, Shirley Anderson, and Virginia Bailey.

Miss Fritsch's knitting club members are Virginia Lee, Joyce Reisener, Ann Miner, Nancy Anderson, Marjory Aljeweit, Joyce Boardman, Louise Watts, Joyce Leins, Irene Burns, Jane Ford, Alice Luchtemeyer, Marie Marfina, Barbara Stoups, Jane Hoyt, Dotty Seftt, Barbara Offenhauser and Ann O. Miten. They knit and weave squares to make afghans for the Red Cross.

Many scrapbooks have been made by Miss Gassner's scrapbook club. Scrapbooks may be made on any topic and are sent to hospitals. The girls in this club are June Schepfer, Kathryn Just, Marie Morke, Carol Clark, Virginia Keller, Joan the Hecker, Virginia Easter, Patty Ridge, Edith Cullen, Joan Eney, Nancy Honsicker, Helen Cullen, Virginia Ryder, Dorothy Groff, Rebecca Horne and Lath McIlroy.

Better be on your best behavior for the next two weeks fellows, cause the female members of the student body are to invite the males.

Tickets will be on sale next week \$1.05 "stag or stuck." Maxine Lippman is in charge of the ticket committee. Dot Biddle, refreshment committee, and Walt Karcner has charge of the publicity.

Future dances to be held later in the year are the Sophomore Hop, scheduled for the early part of May and the Junior prom sometime during the latter part of May.

A rally in the Down's Gym on March 29 officially concluded the current basketball season, although the team is scheduled to meet one or two other teams for the benefit of the American Red Cross.

As the student body chanted "State Champs Three Years" the basketball team entered the gymnasium led by their coach, "Andy" Anderson and Assistant Coach Mr. Reeves.

The rally commenced with Captain Greer Heindel presenting to Mr. V. V. Pearce, vice-principal, the trophies the team had won during the course of the season: the District 1 Trophy, Preliminary Eastern Pennsylvania Regionals.

Mr. Dubois, superintendent of schools, congratulated the team members for the honor that they had bestowed upon Lower Merion by winning the State Championship.

Captain Greer Heindel was called upon to speak next. He said how glad he was to have been a member of three L. M. State Championship teams, '41, '42, '43. He also stated that one of his main ambitions while at high school was to become captain of a State Championship basketball team.

Mr. Pearce then introduced Mr. Gilbert, principal, who congratulated the student body for the excellent conduct they displayed during the final game.

Mr. Reeves and Mr. White, next speakers, said how glad they were to be associated with such a fine team.

When the vice principal was about to introduce Coach Anderson the student body got ready to give "Andy" one of the loudest ovations a person could receive, for all Mr. Pearce had to say was that the next speaker is Coach Anderson, as if he had lit the fuse to a giant firecracker the students gave

Lieutenant J. M. A—was in a strange city and he wanted to attend church. Being unfamiliar with the churches in that city, he turned to the list in the Classified Section of the telephone directory, closed his eyes, pointed his finger—and went to the one his finger hit.

There he met a lovely young woman, who is now his wife.

We don't say that a telephone directory can do the same for you. But it can help you avoid mistakes. When you're not quite sure of the number, please look it up. Don't call "Information" unless you're sure the number is not yet listed. Wrong numbers and unnecessary calls to "Information" waste time and tie up telephone facilities which are busy with important war calls. The Bell Telephone Company of Pennsylvania.

NARBERTH SCHOOL NEWS

Since the beginning of this semester, our school clubs have changed to war work. Half of the boys have been working on model airplanes and the rest on first aid. Mr. Cappalonga and Mr. Shank are helping the boys with the airplanes.

The first aid group under the direction of Mr. Fred Benner has been practicing many different types of bandaging. The types of bandages worked with so far are the opened hand, knee, ankle, cheek and spiral reverse. The boys have practiced artificial respiration and have been taught the pressure points.

The total of bonds and stamps sold up to March 23 is \$10,165.00.

The students of Narberth Public School have done a wonderful job collecting articles for convalescent soldiers at Valley Forge Military Hospital.

The drive for coat hangers, books, games, playing cards, etc., started on March 15 and continued through March 31.

The approximate totals to date are: 930 coat hangers, 110 Reader's Digests, 21 picture puzzles, 25 games, 68 decks of playing cards, 92 books, 51 cardboard slipper soles, 35 painted clamshell trays, 16 unbreakable ash trays and 22 scrap books.

Miss Nellie Henry is sponsor of the Junior Red Cross here.

Narberth School clubs have changed to war activities. There are four clubs for girls which are: sewing machine, knitting, and scrapbook. Basting club is supervised by Miss Erick. The members of that club are Ruth, Mary Aronson, Adelaide Brunel, Regina Deal, Gloria Dimble, Sylvia D. Pringle, Mary Eisman, Rosemary Gorman, Phyllis Mariani, Joan Peters, Jane Reynolds, Laura Santini, Emma Mariani, Virginia Shaw and Janet Stewart. These girls baste Red Cross bags which are made out of muslin. Miss Taylor's sewing machine club finishes these bags. Girls in this club are Len Jenkins, Mary Jane Eldson, Fern

ces Henderson, Shirley Anderson, and Virginia Bailey.

Miss Fritsch's knitting club members are Virginia Lee, Joyce Rolander, Ann Miner, Nancy Anderson, Marjory Allewelt, Joyce Boardman, Louise Watts, June Lewis, Irene Burns, Jane Ford, Alice Luchtmeyer, Marie Mariani, Barbara Stoops, Jane Hoyt, Dotty Smith, Barbara Offenhausser and Ann O'Brien. They knit and weave squares to make afghans for the Red Cross.

Many scrapbooks have been made by Miss Gassner's scrapbook club. Scrapbooks may be made on any topic and are sent to hospitals. The girls in this club are June Schepfer, Kathryn Post, Mary McKee, Carol Clark, Virginia Keller, Juanita Becker, Virginia Fisher, Patty Ridge, Edith Cullen, Joan Eney, Nancy Hunsicker, Helen Cullen, Virginia Ryder, Dorothy Coffey, Bernice Hines and Earth McNeil.

Penn Charter Halts Lower Merion

tumbled to the meaning of the wild waving and shouts from the Lower Merion bench. He rushed over to Young and motioned him out of bounds, but the referees insisted he had to shoot because he had been given the ball.

So, with everyone almost choking from suspense, Young flipped the ball upward and what a relief it was when it touched the backboard and neatly dropped through the strings! And well it did, because Farrell got the ball down the floor in a twinkling and slipped in a field goal just as the gun boomed to end the game.

High spot of the contest—in fact the acid test of the entire season—came in the third period. Trailing 4-7 at the end of the first quarter, Lower Merion had rallied to go ahead, 12-11, at half-time and it boasted the edge to 16-11 on two goals by Captain Greer Heindel in the opening minutes of the third period. It looked as if the Main Liners were off on another of their customary second-half rampages. But Farrell was no Milton or Hazlett. The Steelers had the courage and the guns to back it up, and they struck back with blinding force to take the lead away at 19-17.

Lower Merion picked up the challenge without hesitation, rising to the occasion with its finest ball of the game. In all the Anderson-men racked up 11 points—nine in succession against a single foul toss by Tommy Adams, Farrell center, to gain a commanding 29-20 lead with five minutes to go.

Most surprising is the fact that this spurt was made with lanky Don Evans, leading scorer of the team and backboard mainstay, on the sidelines. He committed his third personal foul just after Dick Whitting fired in a set shot to tie the score at 19-19, and Coach Anderson removed him so that he'd be around for the finish.

Belber replaced Evans and came through with one of the most telling blows of the game almost immediately. He slipped behind the second line of Farrell's zone defense, took a pass from Heindel and slipped a backhand shot over the rim to put L. M. ahead for keeps. Heindel's foul conversion made it 22-19 as the quarter ended and Young kept the rally rolling with a one-hand shot from the side to open the fourth period. Then Heindel batted in a rebound and Harman swished the cords on a set shot to run the Maroon total to 28.

Lower Merion tried valiantly to hold on to the ball but Farrell kept pressing, fighting desperately against time and finally cornered Young against the sidelines and fouled him in trying to get the ball. Then came the bit of drama over whether to shoot or not to shoot and the wild, spine-tingling finish that left everyone in a state of exhaustion.

The all-around teamwork and deadly accuracy of the six players who saw action—Heindel, Evans, Harman, Whitting, Young and Belber—was the most vital factor in the victory, the 31st straight and the 56th in the last 57 games, but each individual had his particular

moment in the spotlight. Lower Merion had an excellent average on its shots, making 12 field goals on only 14 tries and cashing in on five of eight foul chances. In becoming the first youth ever to play on three state championship teams, Heindel fittingly led the attack with nine points, getting three of his four field goals in the last half. Evans and Young each contributed seven points and the other players came through with one field goal apiece at crucial moment.

(Continued from Page 1)

suffering. Lower Merion's biggest guns, Don Evans and Greer Heindel, who have been 50 percent of the Maroon's offense all season.

Evans was held without a point by a foul by George Hauptfuerter, and Heindel got only one twin-pointer off aggressive Charlie McFarland. Heindel's effectiveness was hindered by his committing three personal fouls in the first six minutes. He was quickly removed by Coach Anderson and spent the rest of the half on the bench. Greer played out the entire second half, but at no time was he the star we saw in the PIAA play.

Penn Charter having rested and pointed for this particular contest for more than a month, played an aggressive, forcing game that gave the Maroon absolutely no freedom. The Little Quakers dominated the play under the boards and thereby managed to set the pace most of the way.

While Lower Merion was making only two field goals on 22 shots, the Little Quakers rolled up a 7-6 lead in the first quarter and hoisted it to 16-9 by halftime.

With little Phil Harman collecting three of his four field goals in the third period, the Maroon managed to rally and square the score at 22-22 as the fourth quarter got under way.

A field goal and a foul toss by Dick Whitting put Lower Merion ahead, 25-24, first since the opening minutes. When a foul toss by Heindel made it 26-24 with two minutes to go, it looked as if the Maroon would prevail after all. But when Evans drove into the foul lane for an attempt to sew up the game he ran smack into the alert Davidson. The latter grabbed the ball and dribbled wildly up court for a lay-up that tied the score at 26-26 with one minute 45 seconds to go.

Whitting fouled Davidson in a scramble under the basket in the closing seconds. The latter missed both his free throws, thereby sending the game into overtime, but Davidson didn't fall when he had another chance to win the contest in the extra period.

West Philadelphia, city champion, also fell by the wayside, losing to Catholic High, 26-24. In the wind up of the twin bill, Lower Merion and West Philly will play in a consolation game Saturday night prior to the battle between Penn Charter and Catholic for the Red Cross trophy.

Some 7000 saw Wednesday's games, contributing \$5500 to the Red Cross Fund.

Calling The Turn

By L. M. FORD

Wow! State champs again! Bill Anderson's boys can win the title a dozen times and it'll still be a thrill.

Here's a salute to the latest additions to Lower Merion's list of immortals—Captain Greer Heindel, only youth ever to play on three state championship quintets, Don Evans, Phil Harman, Dick Whitting, Vernon Young, Hank Belber and Art Campbell. The latter didn't play Saturday because he wasn't feeling well but he was a vital cog throughout the year.

"Andy" refuses to say this is the best team of all, not wishing to make any comparisons. "You know how that is," he says, "They were all great."

The Record says what "Andy" doesn't. Any team that can go through a tough 22-game schedule without a defeat has to be super great and the fact that only Farrell was able to give it a close game speaks volumes in itself. And don't forget its far tougher to win a title the third straight time than it is the first or second time. So rank 'em first, where they belong.

That tremendous ovation the fans gave "Andy" when he walked

on the court last Saturday was probably the finest of all time. We knew it was coming, yet it was so wholehearted, so genuine it made us glow and tingle all over with pride. If it affected us like that, wonder what it did to "Andy"?

Any wonder some fans complain Edmund Wicht runs the PIAA tournament just for Lower Merion's benefit? The Main Liners have competed in the playoffs eleven times and now have taken the title four times.

L. B. Fowler, Ardmore Junior High coach, predicted a year ago in the public prints that L. M. would win the tournament the third straight time with its greatest team of all in 1943. His prediction for the future? "No soap for the next three years." That should give L. M.'s foes some consolation.

Anderson loses all but five of the 14 players on his squad, but he should have a team capable of winning the Suburban Section One League again. Dick Whitting and Phil Harman will be the holdovers from the starting five, with Hank Belber, Ralph Vigners and Harry Palmer available among the reserves. Not bad, not bad!

John Raymond, Lower Merion statistician reveals that the Maroon scored 104 field goals on exactly 319 shots in the six tournament games. That's a remarkable average, everything considered. . . .

Don Evans wound up the regulation season with 274 points, competing in all 22 games. Heindel, playing in one less game, scored 256.

It's true what they say about Penn's Palestra being a second home floor for Lower Merion. When the Maroon opposed Penn Charter in the Red Cross tournament Wednesday night it marked the eighth contest at Penn this year. Only seven games were played at Down's Gym here.

It's unfortunate that Lower Merion has to play so many games at the Palestra, because many fans feel the Maroon has such an advantage that its victories are tainted. We heard quite a few people insist Farrell wouldn't have lost if the game hadn't been played at the Palestra Saturday.

This is only a natural reaction under the circumstances, but it's unfair to the team and coach. They play where they're told to play. Only way to get around the Palestra criticism is for the PIAA to hold only its District One playoffs there and move the more important inter-district games to Convention Hall. The crowds have become so great that is the logical move, anyway.

The last three nights of the tournament drew 34,000 fans, more than out for all of Penn's games this season.

prize last Friday. March 26 was Ensign Schenck's 23d birthday, and in the morning mail came three letters from him, one each for father, mother and sister, Lois. They had been written on March 17.

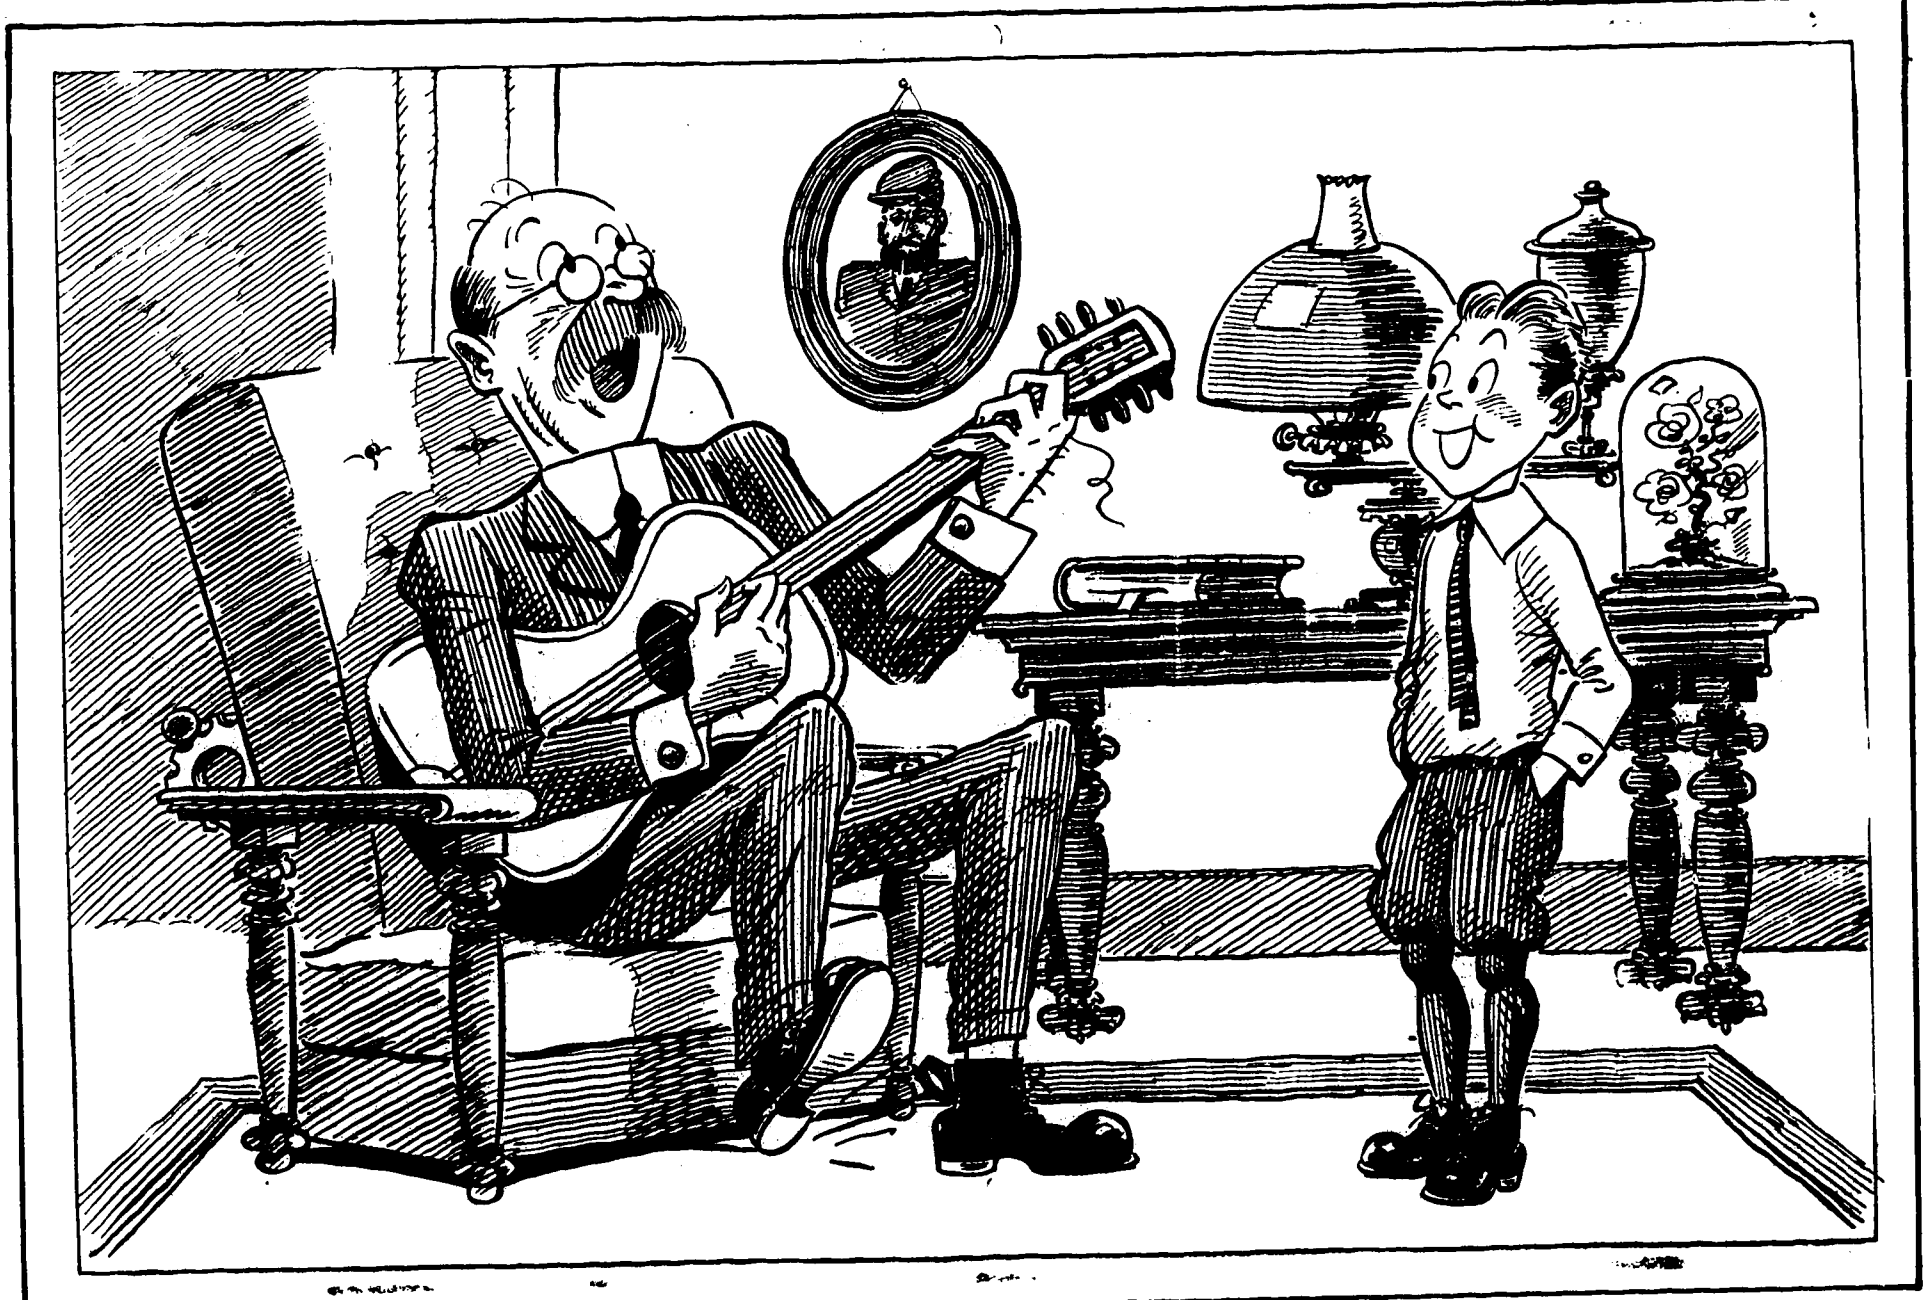

According to his letters, Ensign Schenck is very happy in the work he is now doing. He has run across an interesting coincidence, he reports. In the small group of men with whom he lives and works, there is another man named Schenck and one named Newell, his mother's maiden name. Neither is any relation to the Narberth lad.

Resigns to Accept New Position

The board of directors of the Main Line Red Cross, has accepted the resignation of Mrs. Louis W. Robey, Bryn Mawr, as chairman of Nurses' aides and home nursing. Mrs. Harold Pender, Ardmore, has been appointed chairman in her place.

Mrs. Robey was recently appointed by the Southeastern Pennsylvania Chapter as vice-chairman in charge of directors of volunteer nurses' aids.

10% OF INCOME
IS OUR QUOTA
IN WAR BONDS

...and you'll always have tobacco in your old tobacco box!"

When I was a kid my father used to sing a song that ended up with this refrain:

"Oh, save up your money and put it in your box
And you'll always have tobacco in your old tobacco box!"

Well, the words stuck with me, but I guess the moral didn't.

No matter how hard I tried . . . no matter how many good resolutions I made . . . I always ended up even. If I made more money, I spent more money. Finally, I resigned myself to it—sold myself the idea that I was the kind of fellow who never could save up any money.

But it's all different now!

About 10 months ago, I started buying War Bonds on the Pay Roll Savings Plan. Figured it was the least I could do for Uncle Sam . . . to be kicking in my 10 percent every month to help pay for the ways and means of licking the Axis.

That's the only way I thought about it . . . until just recently!

Now, all of a sudden, I've discovered that—for the first time in the history of Yours Truly—I'm saving dough. Every month, rain-or-shine, hell-or-high-water, I'm sticking away a War Bond, a bond that'll bring me back \$4 for every \$3 I put in.

Those Bonds are beginning to mount up now. And I'm going to keep them mounting up. For I've discovered what a swell feeling it is to be saving money . . . saving it on a plan that's regular as clockwork and twice as sure.

About the time those Bonds start coming due, my kid'll be ready for college. So you can guess what I'm going to do with the money.

And maybe I'll sing my father's song to myself . . . only changing it a little:

"Oh, save up your War Bonds and put them in your box
And you'll always have tobacco in your old tobacco box!"
